Procedure code conversion chart for private duty nursing and respiratory care services

(For claims and prior authorization requests submitted after HIPAA implementation)

The following table lists the nationally recognized procedure codes that nurses in independent practice will be required to use when submitting claims for private duty nursing and respiratory care services. A separate *Wisconsin Medicaid and BadgerCare Update* will notify providers of the specific effective dates for Wisconsin Medicaid's implementation of the federal Health Insurance Portability and Accountability Act of 1996 (HIPAA).
